Tenant must report on or before departure all damages discovered upon arrival or caused by Tenant or Tenant's guests during Tenant's occupancy of Owner's property. Tenant promises to reimburse Owner for all damages to Owner's property caused by Tenant or Tenant's guests not paid by the Security Damage Waiver. Notwithstanding, Agent may require the addition of a Security Deposit at its discretion. Tenant shall also be responsible to Owner for attorney fees and other costs, as allowed by law, in order to collect such damages.

The insurance is intended to protect Tenants in the event of unforeseen circumstances that cause cancellation or interruption of the rental period. Tenant will make a claim for any losses directly with the travel insurance company. Upon compliance, Tenant will be entitled to a refund of the pro-rated rent for each night that Tenant is unable to occupy the property because of the mandatory evacuation order. However, Tenant will not be entitled to a refund if, prior to taking possession of the property: (a) Tenant refused insurance offered by Agent that would have compensated Tenant for losses or damages resulting from loss of use of the property due to a mandatory evacuation order, or (b) Tenant purchased such insurance from Agent.
10. **Military Personnel:** A Tenant who executes this Vacation Rental Agreement and is a spouse, dependent or member of the Armed Forces of the United States who subsequently receives an order for deployment with a military unit for a period overlapping with the rental period or a permanent change of station order requiring the member to relocate on a date prior to the beginning of the lease term, may terminate this vacation rental agreement by providing Owner or Agent with a written notice of termination within 10 calendar days of receipt of the member's order. The notice must be accompanied by either a copy of the official military order or a written verification signed by the member's commanding officer. All monies paid by the Tenant, with the exception of nonrefundable fees lawfully disbursed to third parties in connection with the vacation rental agreement, shall be refunded to the Tenant within 30 days of termination of this vacation rental agreement.
11. **Cancellations:** All cancellations, including transfer requests, by Tenant must be in writing and the receipt of the request must be confirmed by Agent. If a cancellation request is not received and Tenant does not arrive during the rental period, the reservation will be considered to have been cancelled and not re-rented. If a reservation is cancelled and not re-rented for the cancelled period, all advance payments including applicable taxes and fees, except the Security Deposit, will be forfeited by Tenant. If Tenant rents multiple weeks and cancels any portion of their stay, Tenant remains responsible for the original time period reserved. If the property is re-rented for the contract amount all money prepaid will be refunded except the travel insurance premium, charges for bed linen and towel orders, and a \$275.00 cancellation fee plus tax charged by Agent. If the property is re-rented for less than the contract amount, the refund will be further reduced by the difference between the contract amount and the amount actually received. Any refund will be processed at the end of the month in which you become eligible for the refund. Refunds will be issued by Agent in the same forms as payments previously received from Tenant (credit card, e-check, check, etc.). Transfer requests will not be allowed from one reservation to another if the request is not made at least 90 days before the scheduled arrival date. All transfer requests are subject to Owner approval and will be subject to higher rental rates, if applicable. All transfers result in a non-refundable \$125.00 plus tax fee to Agent. **Note:** Travel Insurance may provide coverage for losses incurred by tenant in event of cancellation. \_\_\_\_\_ **Guest Initials**

Tenant should not permit the property to be occupied beyond maximum occupancy. Bedding arrangements in the Property are to illustrate possible sleeping arrangements and may not be taken as a representation of permitted occupancy. 16. **Animals:** Unless otherwise advertised, pets are strictly forbidden on or about the property whether on a temporary basis or otherwise and whether belonging to the Tenant or anybody else. Tenant shall be subject to a penalty of \$500.00 plus tax upon Owner or Agent's demand for any violation of this pet prohibition. Further, Tenants bringing pets to homes that do not allow them will have committed a material breach and be subject to refusal of occupancy, termination of this agreement, and eviction without refund. Nevertheless, no guarantee is made that a rental property has been free of pets or service animals prior to Tenant's occupancy and no refunds can be given if it is discovered that pets or service animals have formerly occupied the property.
